ADDENDUM No. 4

This addendum services to notify the following:

1. Concerns about physical Space for Lot 1 Solar Arrays

GPL takes note of concerns raised about the limited space at the OAS/IICA building to accommodate 30kWp of solar PV. Potential bidders are advised that if they are unable to accommodate 30kWp of solar PV in their proposal for Lot 1, given restrictions due to roof space, they should submit an Alternate Offer as outlined in Clause 16 of the ITB.
