

REQUEST FOR EXPRESSIONS OF INTEREST

GY-G1007: Guyana Utility Scale Solar Photovoltaic Program (GUYSOL)

Energy Apprentices Program

The Government of the Cooperative Republic of Guyana (GCRoG) has earned financing under the Guyana – Norway Partnership Agreement towards a program for the Guyana Utility Scale Solar Photovoltaic Program. The Financing will be administered in accordance with the Inter-American Development Bank (IDB). The GCRoG intends to apply part of the proceeds from the Program towards conducting an **Energy Apprentices Program** to strengthen Energy Agencies in critical project management related areas that advance renewable energy (RE).

The general objective is to attract, promote, and retain a pool of talent that is inclusive of male, female, and persons with disabilities (PwD) to assist in transforming the energy sector, and narrow the gender and diversity gap in the energy sector of Guyana. The Executing Agency, Guyana Power and Light Inc. is looking for individuals to be Apprentices in the capacity of (i) civil engineers, (ii) electrical engineers, (iii) environmental/ social officers, (iv) procurement and finance officers, and (vi) monitoring officers.

The individuals should have at least a bachelor's degree in the relevant or a related discipline, and demonstrate professional aspirations to work in renewable energy, project management of energy programs or projects for a one-year period with a monthly stipend, subject to further advancement.

In order to be considered for short-listing, interested applicants having the relevant qualifications and who are Guyanese nationals are herewith invited to submit their curriculum vitae showing the: (i) legal name of the applicant; (ii) address; (iii) telephone number; (iv) e-mail address; (v) information about the applicant including any principal areas of expertise and interests.

The Apprentice program is to be executed over 12 months resident in Guyana.

Interested applicants will be determined to be short-listed by demonstrating in their Expressions of Interest that they have the relevant qualifications suitable for the Apprenticeship Program.

The working language of this assignment will be English, and reports will therefore be presented in that language.

The applicants will be selected in accordance with the procedures set out in the Inter-American Development Bank: [*Policies for the Selection and Contracting of Consultants financed by the*](#)

[Inter-American Development Bank](#) GN-2350- [15]. Only Individuals recognized from the Bank Member countries will be considered eligible.
